ENTRY ORDER

Following a conference with the court on February 11, 2021, the court orders as follows:

1. If any party seeks arbitration on any issue in this case, a motion to compel arbitration shall be filed not later than March 15, 2021. The court will treat a decision not to seek arbitration by this deadline as a waiver of any right to arbitration.
2. The parties shall confer about their discovery requirements and file a proposed case management order with the court not later than March 15, 2021. The order shall identify potentially dispositive motions and a deadline for their submission to the court.

3. The court will set a follow-up conference in three months to review progress in the case.
